Heavy Seas The Alpha Effect

BREWERY: **HEAVY SEAS BREWING CO.**

STYLE: **NEW ENGLAND-STYLE IPA**

COUNTRY: **USA**

COUNTIES SOLD IN: **CHESTER**

With a lightning strike of exotic hops, The Alpha Effect is a hazy and dank IPA thundering with a juicy hop aroma and flavor. With a hefty 7% ABV, The Alpha Effect has enough malt to balance the ridiculous amount of hops used to create this category 5 monster. Hazy, but never muddy, this is an expertly brewed IPA. Take cover, The Alpha Effect is in effect!
