With an infusion of local roast coffee, a dash of cocoa nibs and touch of seasonal sorcery, Firestone Walker's signature Velvet Merlin oatmeal stout has been transformed into Mocha Merlin for fall and winter enjoyment. This beer is brewed with the Colombia La Granadilla blend from HoneyCo. Coffee Roasters. The Colombia La Granadilla coffee meshes perfectly with the chocolaty character from the cocoa nibs, providing an oatmeal stout experience like no other. A touch of lactose "milk sugar" provides a suggestion of rounded sweetness on the finish.
