Brewed to celebrate their 25th anniversary, Blonde De L'Enfer (Blonde from hell) is Unibroue's take on a classic style, the Belgian Strong Golden Ale. These ales are traditionally named after hellish demons due to their lust for power and in reference to the beer's deceitful drinkability. Brewed with a unique Belgian yeast strain, this sinfully smooth refermented specialty ale is such a wolf in sheep's clothing, artfully crafted for a delicate balance of spice, malt and hop flavors with a fine champagne-like effervescence.
