CAPE MAY BREWING CO.

STYLE:
RUSSIAN IMPERIAL STOUT

COUNTRY:
USA

ORIGIN:
CAPE MAY, NEW JERSEY

COUNTIES SOLD IN:
CHESTER
BUCKS
MONTGOMERY
PHILADELPHIA
DELAWARE

Named for the sunken SS Atlantus, a retired WWI concrete ship visible from Cape May's Sunset Beach, Concrete Ship is a full-bodied Russian Imperial Stout. With just a touch of heat coming through thanks to the high ABV, the roasted barley and chocolate malts meld together perfectly, giving the final brew rich notes of cocoa and coffee. Bold yet insanely drinkable, Concrete Ship has a velvety smooth texture that won't sink you.
