Hank's latest limited-edition gourmet soda was developed over two years to combine a just-right, juicy, tart apple bite with the smooth body of toffee and hints of golden butter rum. It brings back memories of trips to the farmer's market, where you could smell that buttery, caramel aroma in the air even before you saw the glistening apples on-a-stick. Tart, sweet and creamy all at once, it's a surprisingly tasty soda like you've never tried before. Like all of Hank's flavors, it's crazy-good as an ice cream float.
