

Sly Fox Vulpulin IPA		
STYLE American IPA	ABV 6.00%	IBUS 60
FOOD PARINGS Green Curry, Salmon Tacos		
<p>Vul'·pew·lin: of or relating to a fox-like creature grown entirely out of hop bines. Hop farmers of the Pacific Northwest have reported sightings of an ethereal creature romping around their hop yards under the full moon. The Vulpes Lupulus has been described as a creature made from the bines themselves, causing the plants to wave and dance in the moonlight even when no breeze is present. Nonbelievers say it's nothing more than a common fox out on his nightly hunt. While no hard evidence has been documen...</p>
