

Guinness Wide Mouth White Ale	
STYLE White Ale	ABV 5.00%
FOOD PARINGS Sushi, Vegetable Lo Mein	
<p>Inspired by the Belgian brewing tradition, this aromatic ale – made with malted and un-malted wheat – actually showcases Guinness’ yeast from Dublin. Guinness yeast is so versatile that it can produce wonderful fruity, peppery aromas, which are accentuated by using grains of paradise, lemon peel and sweet and bitter orange peels in the whirlpool. This beer is perfect for summer sipping, with a crisp, refreshing finish and surprisingly low bitterness.</p>
